## HARPTA - Hawaii Real Property Tax Act

**The Hawaii Real Property Tax Act (HARPTA)** requires the buyer who purchases real property from a non-resident of Hawaii to withhold **7.25%\*** of the amount realized (generally the sales price) and remit it to the Department of Taxation within 20 days of closing unless an exemption applies.

The 7.25% withholding represents an estimate of the Hawaii capital gains tax that may be owed by the non-resident when selling real property in Hawaii.

The standard Hawaii Association of Realtors Purchase Contract provides that escrow is to withhold and remit the HARPTA amount to the Department of Taxation unless the seller provides the buyer with a certificate of exemption or waiver from HARPTA.

It is the seller's burden to prove that an exemption / waiver applies and for the buyer to acknowledge and approve the seller's exemption / waiver prior to closing. Under Hawaii law, it is the buyer's responsibility to determine if the seller is a non-resident of Hawaii and that the proper withholding amount is remitted to the Department of Taxation on a timely basis.

## FIRPTA - Foreign Investment Real Property Tax Act

**The Foreign Investment in Real Property Tax Act (FIRPTA)** requires the buyer who purchases real property from a foreign seller to withhold **10% or 15%** of the amount realized (generally the sales price) and remit it to the IRS within 20 days of closing unless an exemption applies. The withholding percentage will depend upon the sales price and whether the buyer or buyer's family member intends to use the real property as a residence.\*

The withholding percentage represents an estimate of the federal capital gains tax that may be owed by the foreign seller when selling real property in the United States.

The standard Hawaii Association of REALTORS® Purchase Contract provides that escrow is to withhold and remit the FIRPTA amount to the IRS unless the seller provides the buyer with a certificate of exemption or waiver from HARPTA.

It is the seller's burden to prove that an exemption / waiver applies and for the buyer to acknowledge and approve the seller's exemption / waiver prior to closing. Under federal law, it is the buyer's responsibility to determine if the seller is a foreigner subject to FIRPTA withholding and that the proper withholding amount is remitted to the IRS on a timely basis.

\*Buyer or member of buyer's family must have definite plans to reside in the property for at least 50% of the number of days the property is used by any person during each of the first two 12-month periods following the date of transfer.
